# Super Clean

**ALL PURPOSE CLEANER AND DEGREASER**

**PRODUCT NUMBER AND CONTAINER SIZE**
21220 Qt/21120 Gal
21320 5g pail

**DESCRIPTION:** SafeChoice® Super Clean is a highly concentrated, all-purpose cleaner/degreaser. It is not toxic, odor free, dye free and biodegradable. It contains no phosphates, alkalines, acids, ammonia, butyl ethers, chlorine bleach, nor any chemical scents used to mask the odors caused by such harsh compounds. It will not irritate sensitive skin, nor does it give off noxious fumes. Yet it is strong enough for industrial strength cleaning chores.

**USE ON:** SafeChoice Super Clean is recommended for all of the following: stainless steel, fiberglass, porcelain, ceramic tile, chrome, painted surfaces, wallpaper, wood, vinyl, steel, grout, concrete, fabric, plastic or any other hard non-porous surface. Not recommended for aluminum.

**DILUTION RECOMMENDATIONS:**
**Routine Home and Office Cleaning -20:1** Spray on, agitate as necessary, wipe clean.
**Kitchen:** Counters, sinks, refrigerators, stoves, appliances, stainless steel, fiberglass, sills, chrome.
**Bathroom:** Shower, tubs, sinks, counters, tile.
**Household:** Walls (papered and painted), woodwork, doors, porcelain, vinyl, tools, hand soap.
**Carpet and Upholstery:** Spray on a small amount, allow time to penetrate, agitate, wipe with clean water sponge and blot with dry cloth. Always spot test before using.

**Tougher Indoor/Outdoor Cleaning - 7:1** Spray, sponge or mop directly on surface. Agitate as necessary. Rinse with clean water.
**Recommended on:** Floor wax (use hot water), tough food and tobacco stains, house exterior, ordinary oil and grease, vents.

**Heavy Duty Cleaning Jobs - 1:1** Spray, sponge or mop directly on surface. Allow time to penetrate, agitate as necessary. Rinse with clean water.
**Recommended on:** Heavily soiled shop floors, ovens, lime deposits, soap scum, mold and mildew stains, grills, engines, grout, concrete, laundry (spot test for color fastness), decks, smoke stains and pet odors.

**ADVANTAGES / SIGNIFICANT BENEFITS:**
■ Dramatically improves indoor air quality. Especially welcomed by professional cleaners and occupants of enclosed, centrally-ventilated buildings where occupants are subject to the effects of all toxic discharges within the building, including those from building and maintenance products.
■ Safely used by and for the chemically sensitive.
■ No butyl ethers, ammonia or chlorine.
■ Dye-free - absolutely no unnecessary additives.
■ Absorbs and helps eliminate odors - even from tobacco, animals and smoke and soot damage.

LIMITATIONS: SafeChoice Super Clean works best when diluted. If used full strength or on metal, be sure to rinse thoroughly. Not recommended for aluminum. Do not freeze.

HEALTH PRECAUTIONS: As with all cleaning products, keep container tightly closed and out of the reach of children. Do not ingest. If swallowed, drink two (2) glasses of water to dilute. In case of eye contact, flush immediately with plenty of water for 15 minutes. If you are chemically sensitive, always test for personal tolerance.

**PHYSICAL DATA:**

| | |
|---|---|
| Physical Description: | Clear odorless liquid |
| pH | 8.7 |
| % Volatile by Weight: | 90% |
| Solubility in Water: | Complete |
| VOC Material less H20: | zero |
| HAP's (Hazardous Air Pollutants) | zero |

**If you are chemically sensitive, always test for personal tolerance.**

**LIMITED LIABILITY:** Liability, whether express or implied, is limited solely to replacement of product shown to be defective when applied in accordance with instructions and shall under no circumstances include liability for labor costs or consequential damages. It is the user's responsibility to determine the suitability and safety of the product for its intended use. This limited warranty may not be modified or extended by manufacturer's representatives, distributors, or dealers of AFM products. We particularly recommend that users always test in small inconspicuous areas before application to the entire surface.
